appreciation until that day
(somewhere in the calendar of
a far off year) comes when
Memory will light her fires and
show you the old places and
the old faces of a treas-

THORNTON, ARKANSAS
A.B.

"I sleep when there's nothing else to do."

Corporal S. A. T. C., '19; Y. M. C. A. Cabinet, '19, '20, '21, '22; Society Officer eleven quarters, '19, '20, '21, '22; Delegate to Hollister Conference, '19, '20; Oracle Staff, '20; Glee Club, '20; Cercle Francais, '20; President Life Service Band, '20; Business Manager Oracle, '21; Winner Best All-Around Student Medal, '21; Star Staff, '21, '22; Member State College Press Association, '21, '22; President Y. M. C. A., '21; Editor-in-Chief Oracle, '22; President Gamma Sigma Society, '20, '22; President Senior Class, '22.

Here is a man among men. He has grabbed a corner on all student activities. The mere mention of his name on the ballot makes other candidates as scarce as whiskers in a Chinese army. His cheerful smile, his hearty greeting and warm handclasp have won for him countless friends, and his admirable traits of character have won the respect of all who know him.

TIM STINETTE, Garland
SHREVEPORT, LOUISIANA
B.S.

"In love, but with whom?"

Basketball Team, '21, '22; Baseball Team, '20, '21, '22; Captain Baseball Team, '22; President "H" Association, '22; Society Officer five quarters, '21, '22; Critic Society three quarters, '22; Star Staff, '21, '22; Oracle Staff, '22; President Garland Society, '21; Vice-President Senior Class, '22.

"Diogenes" is truly a genius who has shown exalted intellectual power, unusual athletic ability and an extraordinary faculty for original creations, interpretations and expressions. His conversation is bewildering to the freshmen, who only stare with widespread jaws and optical daze at his original humor, his classical illusions and verbosity of speech. In which of the arts we shall next find this young man, it is hard to say, but we venture to guess that he will put it over in good form, wherever and whatever it be.

MARY REBECCA GANTT, *Upsilon Phi*
MAGNOLIA, ARKANSAS
A.B.

*Blue-eyed, dark-haired, fair-faced,
Sweet as the morning dew,
You have before you our "Mary,"
A member of dear old '22.*

Vice-President Society, '19; Chaplain Society, '20; Treasurer Society, '20; Cercle Francais, '20; Star Staff, '21; President Society, '21; Secretary Class, '20; Vice-President Junior Class, '21; Secretary Senior Class, '22; Y. W. C. A. Cabinet, '21, '22.

She is one of our belles. Few would associate real dignity with a miss of five feet two about, but in no other words is Mary adequately described. She has the bearing, the aristocratic grace peculiar to the Old South. Though sought by many of the "stronger sex," it is understood that she is still true to a certain lucky "Sap-sucker" who lives in Thornton. Who knows?

EDWIN DOBY STITT, *Garland*
ARKADELPHIA, ARKANSAS
A.B.

"What is a man if he is not a mystery?"

Mexican Border Patrol, '16, '17; American Expeditionary Forces, '18, '19; Track Team, '16, '20, '21, '22; Captain Track Team, '16; Society Officer eight quarters, '16, '20, '21, '22; Vice-President Class, '20; Intersociety Orator, '20; Vice-President Society, '20, '21; Cercle Francais, '20; Star Staff, '21; President Society, '21; Manager Football Team, '21; Business Manager Oracle, '22; Society Orator, '22.

Stitt left us for a while, but as soon as he had accepted the surrender of the German army he came back to be a member of the Class of '22. While with Uncle Sam he ranked all the way from K. P. at home to lieutenant on the front lines in France. He is a friend, a worker, a thinker. We shall watch with the eyes of a friend his many successes.

SUE SPARKS, *Upsilon Phi*

FORDYCE, ARKANSAS

A.B.

*When there's a committee appointed,
And there's a new one every minute,
It isn't a real committee
If Susie isn't in it.*

Vice-President Y. W. C. A., '22; Treasurer Society, '21; President Society, '21; President Delta Alpha Chi; Oracle Staff, '22.

"Never saw so much energy stored up in such a little person," is what a professor said about Sue. To this, all who know her say Amen! Sue is a good mixer, but she lost her heart long ago. She is very dependable, ever ready to take any responsibility, and you can bet on her doing every task to a finish.

JAMES E. GREENE, *Gamma Sigma*

HOT SPRINGS, ARKANSAS

A.B.

"If music be the prod for love, play on!"

Circulation Manager Oracle, '21; President Gamma Sigma Society, '21; Glee Club, '20; Cercle Francais, '20; Intercollegiate Debater, '21, '22; Society Orator, '21; Masonic Club, '22; Debate Council, '22; Oratorical Contestant, '22; Oracle Staff, '22; Assistant Editor Star, '22.

Jimmie has attained a position in the H. B. portals of fame as an orator, debater and editor. He has a combination of those elements of brilliance, perseverance and pluck that in the long dash through life are bound to waylay all obstacles and place him in the class of those who have done things. In him we find a congenial friend, a lovable fellow and a real sport.

CLARA MARKS, *Upsilon Phi*
NEW EDINBURGH, ARKANSAS
A.B.

*Though a hackneyed expression,
We're sure 't would be meet,
In speaking of Clara,
To say that she's sweet.*

Secretary Class, '21; Vice-President Society, '22;
President K. K. Klub, '22; Star Staff, '22.

This brand comes small, done up in a neat package, flavored with wit and spiced with common sense, handy in all sorts of emergencies, guaranteed to improve with acquaintance, and will fit most admirably into the home of the most fastidious. Those who know her love her; everybody knows her. Again, we submit her as a living argument in favor of co-education.

GEORGE TAYLOR, *Gamma Sigma*
PINE GROVE, ARKANSAS
A.B.

"I have chosen my helpmate."

Football, '17, '19, '20, '21; Basketball, '18, '20, '21, '22; Baseball, '18, '20, '21, '22; Society Debater, '18; Winner Triangular Debate, '20; President Society, '20; Winner Individual Medal Commencement Debate, '20; Winner Individual Medal Oratory, '21; Best All-Round Athlete Medal, '21; Y. M. C. A. Cabinet, '21; President Y. M. C. A., '22; Normal Debate, '21, '22; Business Manager Star, '22.

Taylor hails from Pine Grove. Failure to find this place on the map has by no means shaken our belief in its importance. George possesses an unusual disposition. During his stay upon the campus he has not been seen without his characteristic smile. He is a letter man in football, basketball and baseball, and has been captain of the three. "Harrison" has been an important factor in every phase of college life, and he leaves with the admiration of all.

TANDY FREEMAN KEY, Garland

ARKADELPHIA, ARKANSAS
B.S.

"I respect all, but love none."

World War Veteran; Intersociety Debater, '16; Normal Debate, '20; President Society, '21; Vice-President Society, '21; Football, '20, '21.

Key is another of the old boys—just how old we do not know—but he says that he can remember when the girls wore ears. When the Hun needed stopping, Key didn't wait a minute. After the war he returned, determined to finish his course. He has not much time for the fair ones, but he keeps busy with science and football. Freeman wears the "H" and has been a guard on two of the most successful Reddie squads. His chief characteristic is to attend to his own business. Genial, courteous, reliable, a true friend, and every inch a man—that's Freeman Key.

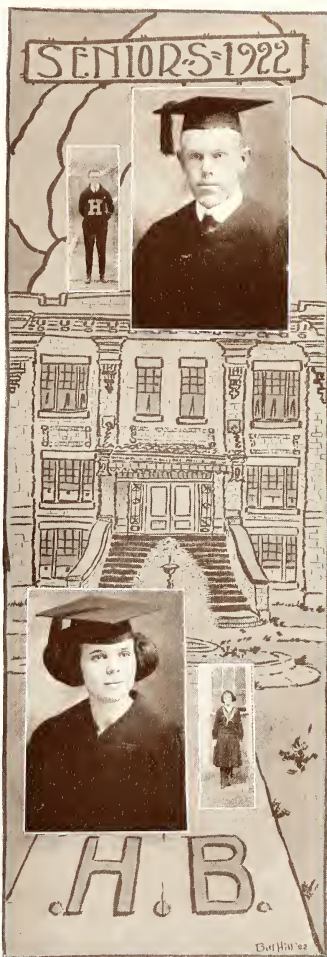

IRENE BAILEY, Upsilon Phi

ARKADELPHIA, ARKANSAS
A.B.

*Irene is a scholar,
Will win her way to fame,
And give an added luster
To her justly famous name.*

Finished Home Economics in Galloway College, '20; Society Essayist, '21, '22; Secretary Society, '22; President Arkadelphia Belles' Club, '22.

Irene came to us last year from our sister school, Galloway. Her coming has already added to our good opinion of that school. "Little" Irene has represented her society as an essayist. She is the girl with the smile that never comes off. She is known on the campus by her genial disposition, her good grades and her literary talents.

EDA PEARL CADE, *Upsilon Phi*
PEARCY, ARKANSAS
A.B.

*She's extremely conscientious,
And when there's work to do,
If Eda has a hand in it,
She's sure to put it through.*

Y. W. C. A. Cabinet, '18, '20, '21, '22; Life Service Band, '20, '21, '22; President Y. W. C. A., '21; President Life Service Band, '22; Star Staff, '22.

Eda is, we understand, the suffragette of the class. But we are sure she is not the militant type, for it is unthinkable that she would be so forgetful as to throw dishes—or stones either. Along with her semi-professional duties, Eda has found time to rake in a goodly number of A's and B's. With her high ideals and persistent efforts, she adds to the class both strength and beauty of character. We wish her much success in future studies and in her life work.

RICKS STRONG, *Gamma Sigma*
THORNTON, ARKANSAS
A.B.

*"Let the critics go whistle, I care not a damn—
care I."*

S. A. T. C.; Oracle Staff, '20; Glee Club, '20; Cercle Francals, '20; Delegate Hollister Conference, '20; Editor-in-Chief Star, '21; President Junior Class, '21; President Society, '21; Intercollegiate Debater, '22; Intersociety Debater, '22; Yell Leader, '22; Oracle Staff, '22; Society Officer eleven quarters, '19, '20, '21, '22.

His honors have come unsought, but are meritorious. His advice is often sought by students. He has distinguished himself in literary society work and has once been president of the Gammas. He is the most notorious heartbreaker that ever breathed free atmosphere, and truly an admirer of the fair sex. In this line we predict for him even greater success than he has yet attained. Gossip has it that he has already succeeded. We wish "them" every happiness.

PAULINE COLSON, *Upsilon Phi*

LEOLA, ARKANSAS

B.O.

*"Comedy's weeping, Tragedy's sad,
Dramatic Club is grieving.
What is the cause of it all, you ask?
Why our own Pauline is leaving."*

Intersociety Reading Contestant, '21, '22; Winner Housekeeping Medal, '21; Vice-President Society, '22; President Society, '22; Treasurer Society, '22; Y. W. C. A. Cabinet, '22; Oracle Staff, '22.

We approach this eulogy with timidity, fearing lest words of a layman should be like tools in the hands of an apprentice who endeavors to remove the veil that shrouds the new-found diamond from the outside world. Truly, Polly is a rare jewel and one that adds dignity and refinement to any group with which she is connected.

MARY F. NAYLOR, *Philomathean*

LITTLE ROCK, ARKANSAS

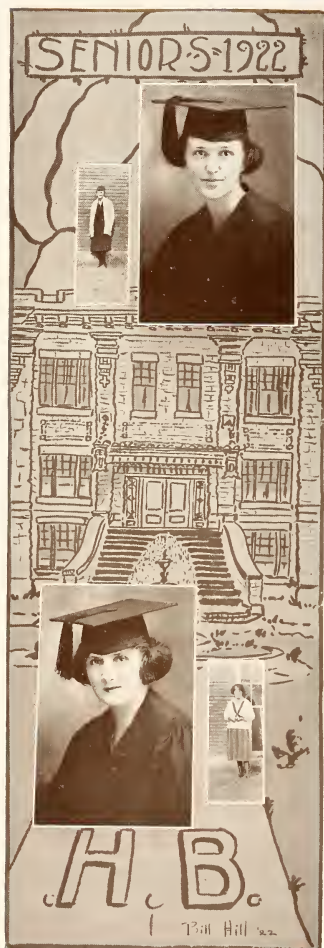

H.E.

*Although her stay at Henderson
Was very short, you know,
We're glad she came, and all of us
Are sad to see her go.*

Delta Alpha Chi, '21, '22; Choral Club, '22; Treasurer Philomathean Society, '22.

"Fred," although she has tried hard to keep the secret, comes near to being the baby of the class. Her ambition is to never fall below 95 in a quiz. Besides all of this, she is the songbird of the class and can play her own accompaniment on the piano, the ukulele, or any instrument you prefer. "Fred" is the embodiment of all those musical talents which stir men. May hers be success and happiness in all the future.

EFFIE IRENE BRIDGES, *Upsilon Phi*
ARKADELPHIA, ARKANSAS
A.B.

*Effie's skilled in music,
She's a literary light,
And anything that Effie does,
She's sure to do it right.*

She is a flower better fitted by far to bloom in some quiet hamlet than in the hurly-burly of college life. Here the rule of life is the "survival of the most persistent." Her quiet, gentle manner seems a bit strange. Totally unmindful of self, Effie has taken little part in the scramble for honors, but has been content to do her work well. Her ability has received the deserved reward of a liberal sprinkling of A's.

PEARL MILLER, *Philomathean*
HEBER SPRINGS, ARKANSAS
B.M.

*Will she write sarcastic books,
And lead that high, inspiring life,
Or will she calmly settle down
And be some husband's wife?*

"She is the best violinist in Henderson-Brown," said a prominent musician to the writer. She easily coaxes from her idolized instrument all the varied tones that make a heart move as if its own strings were being touched. Pearl has been a valuable asset to her class and college, and we see in her future all success and happiness, be it in public life or home.

TABBIE MAE McDONALD, *Upsilon Phi*
THORNTON, ARKANSAS
A.B.

"There's lots of people that think her shy,
And lots who think her quiet,
But those of us who know her well,
We surely must deny it."

Lictor Society, '21; Choral Club, '22; Vice-President Life Service Band, '22.

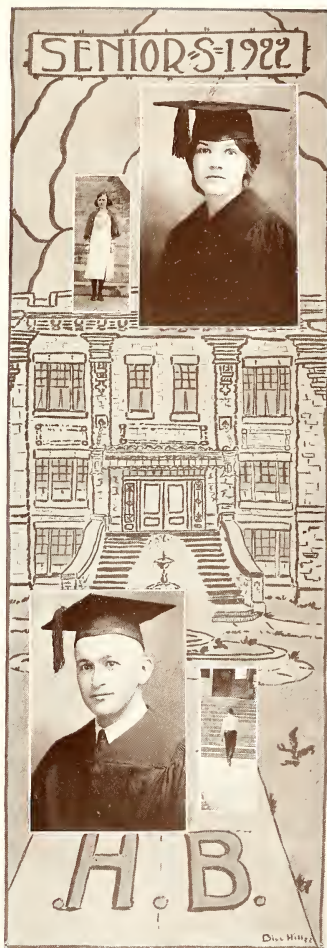

Tabbie is another one of those valuable articles that come in small packages. She is well known, being one of the renowned bunch hailing from Thornton, from whence cometh good looks, character, perseverance and scholarship. She has not wasted much time with the boys, but text-books have found her diligent. Our hearts go with Tabbie Mae as she goes out into the world with a life-work purpose of making it better.

ANDREW J. CHRISTIE, *Gamma Sigma*
CABOT, ARKANSAS
A.B.

"Go ye into all the world and preach the gospel."

World War Veteran; Y. M. C. A., Cabinet, '17, '20, '21; Chaplain Society, '18, '19, '20; President Life Service Band, '20, '22; Delegate to Des Moines Student Volunteer Conference, '21.

The milestones of his academic career were interrupted by the Great War, when early he left school and went to the front. The best that can be said about anyone is that he is sincere and reliable—Christie is both. He has won the respect and admiration of the students and faculty alike by hard study, tenacity of purpose and a decided Christian spirit. "Jake" is quiet, unassuming, but solid and persevering, one to be counted on at all times. He was always an admirer of the fair sex, and finally he met "her," being enmeshed by that untieable knot last January. We honor ourselves in claiming his friendship—that of a steady, unobtrusive and big-hearted chap. Success be yours!

HELEN CROCKER, *Philomathean*

LEWISVILLE, ARKANSAS

H.E.

*"Modesty is her brightest jewel,
Kindness is her deepest theme;
Never a harsh word does she speak,
Always happy does she seem."*

Helen is a jolly, good girl, always smiling. She plays basketball, on rare occasions associates with the opposite sex, and is always on hand when a picnic is in order. We know not her choice as to future life, but be it teacher, politician or housekeeper, we can see her now on the heights of success.

MILDRED RIGGIN, *Upsilon Phi*

ARKADELPHIA, ARKANSAS

H.E.

*In these days of servant troubles,
It is well to be a cook.
So Mildred showed good judgment
In the course that Mildred took.*

She is indeed a worthy contribution to the Class of '22. Her gentle manner and easy grace are winning characteristics. "To know her is to love her." We envy that guy for whom she is taking the Home Economics course. We do not know who he is, but, to say the least, he's lucky.

IRENE RICHARDSON, *Upsilon Phi*
AMITY, ARKANSAS
B.M.

*"Fiano is her study, her playing is divine,
And some day in the halls of fame, her name—
and hair—will shine."*

It is the opinion of more than one of the boys that Irene should never have been in a school strictly for girls, and they are glad she left Galloway and came to Henderson-Brown. She is talented, gentle, sweet, timid, shy; a good student with a host of friends.

LESLIE MAE OATES, *Philomathean*
RUSSELLVILLE, ARKANSAS
B.O.

*"My heart is whole, my fancy free,
Run on, small man, don't bother me."*

Here's one of Miss Clark's stars. Leslie Mae is as talented as she is attractive. It is a treat to hear her read; she seems to be picked for a career on the Lyceum Circuit. It is rumored that she will either be an expression teacher or a life-long practitioner of the culinary art. Here's much success to her in either or both!

BOOK THREE

FOOTBALL SQUAD

Reddies

CAPTAIN MCLEAN, *Halfback*

Sage was a wonderful success as captain of the Reddies, and he won an All-State berth by his terrific line-plunging. He is one of the hardest hitting halfbacks that ever donned Reddie moleskins or cleats.

JIMMIE HAYGOOD, *Coach*

Quiet, forceful, positive, cheerful. He appeals to the best in every man. The fighting spirit of his teams in large measure reflects the true nature of the coach.

"D" DELONEY, *Center*

DeLoney came back this year after an absence of two years, and has succeeded in gathering quite a host of honors. Among them are All-State guard and captain-elect for the Reddies of '22.

Reddies

HAL NORWOOD, *Tackle*

Alternating from line to the backfield, in accordance with conditions, Hal looked good at them both. He should be a good man next year.

"Bo" ROWLAND, *Left End*

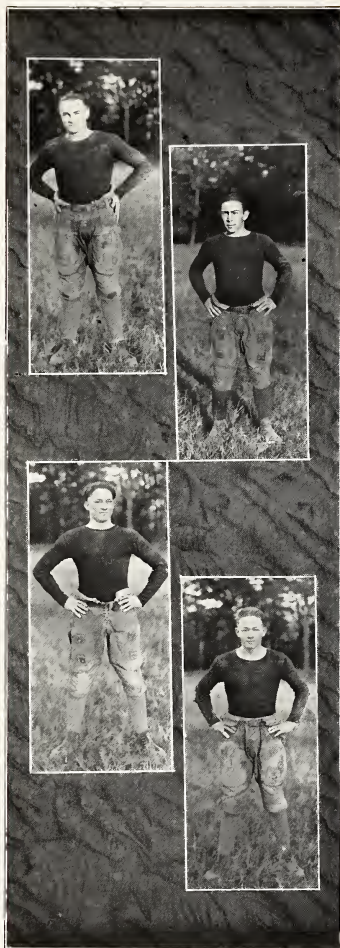

"Bo" was seriously handicapped the entire season by a bad ankle. But what time he did perform, he succeeded in broadening the "famous smile" by his fighting spirit.

"PUG" EDWARDS, *Halfback*

Speedy and a hard hitter—one of the best defensive backs in the association. Another season should see him starring.

"SUSIE" WORKMAN, *Guard*

One of the best linemen we had. He could be depended upon at all times.

Reddies

"RED" WHITTHORNE, *Quarterback*

"Red's" broken-field running was the sensation of the season. This was his first year. He is expected to develop into a star of the first magnitude.

"JABBO" CLEMENTS, *Right End*

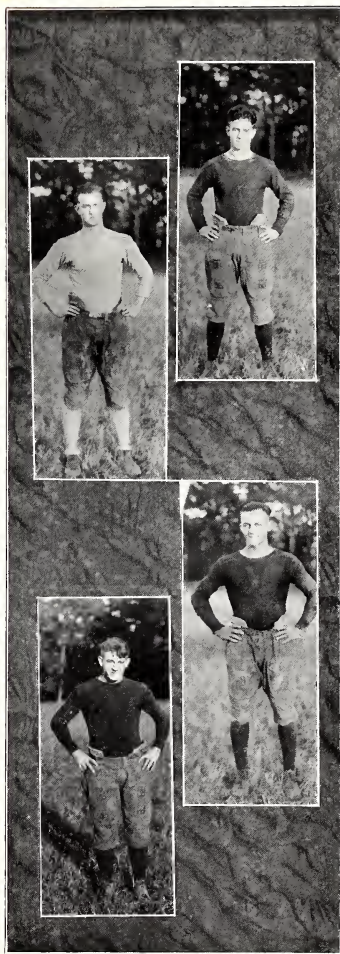

The sum total of yardage gained around "Jabbo's" end would involve a minus quantity. He was by far the best wing man in the state, as evidenced by the unanimous vote he polled for All-State position.

"DEUTCH" FINKBEINER, *Left Tackle*

To get his man and then help the other fellow get his was the idea uppermost in Fink's mind.

"BILL" HOWELL, *Right Tackle*

Laughing Bill was a tower of strength on defense and a sure opener on offense. He was the real War Horse of the Reddie line.

Reddies

"MODESTY" YOUNG, *Quarterback*

Fletcher lacked only one qualification of being the best general in the state this year—speed. His passes and their accuracy were the talk of the press, and his kicking was above par.

"SNOW" RUSH, *Left End*

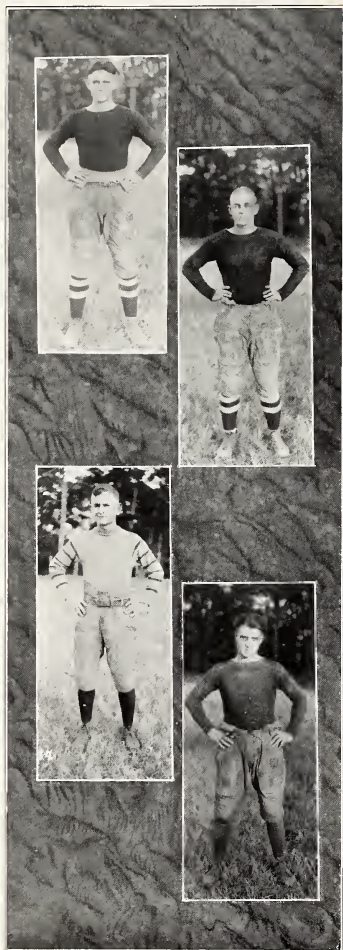

He was the smallest college regular in the state, as well as one of the best. He was a hard worker, speedy and clever, and was in the game every minute with his whole heart.

"HARRISON" TAYLOR, *Fullback*

A whole-hearted, whole-souled athlete in every sense, the kind who commands the love of friend and foe alike. His work was impeded by a multitude of chills and injuries, but it was meritorious, to say the least.

"J." MCLEAN, *Halfback*

Jewel was perhaps the most consistent ground-gainer on the squad. He was a good broken-field runner and a line-plowing demon.

Reddies

FRANCIS HARPER, *Left Guard*

A good man, a hard fighter, a splendid worker, and a credit to the "H."

"MARQUETTE" KEY, *Left Guard*

Key was a veritable Rock of Gibraltar in the line. He won't be back next year, and he leaves a mighty big gap to fill.

"CHICKEN" SUMMERVILLE, *Fullback*

"Chicken" furnished the thrills in the Thanksgiving game by his beautiful running. He's another first year man of great promise.

"DOBY" STITT, *Manager*

He was nominated by the members of the team as All-State manager, and they should know.

Football Review of 1921

HE season of 1920 projected many a prediction for the coming fall, and a perusal of the team record will serve as an apt reminder to those who are likely to forget that Jimmie Haygood is again at the helm of the Reddies.

The first game of the season was not an especially brilliant affair as concerned the Reddies. The non-stability of the line-up and frequent changes and shifts allowed the College of the Ozarks to win a tie, 7-7. But the supporters were encouraged by the way in which the Henderson backs ripped the Mountaineers' line to pieces and skirted their ends for big gains, only to be halted in the shadow of the goal posts. The Mountaineers' touchdown was the result of a recovered fumble.

Captain McLean and his clan redeemed themselves in the next encounter by drubbing Arkansas College, 29-7. Whitthorne and Jewel McLean could not be headed. The game furnished them occasion for a splendid exhibition of broken-field running.

The Reddies next journeyed to Russellville, where the fast and heavy Aggie Wonder Boys repeated their performance of the 1920 season, only making a better job of it. The Reddies' inability to hold the ball was the cause of the defeat. In this game Norwood received a pass from Young and sprinted forty yards through the entire Aggie team for the Reddies' marker. The score stood 21-7 in favor of the Aggies.

On the following Friday the Reddies took a journey to Sherman, Texas, and there suffered a defeat at the hands of the Austin College Kangaroos. They failed to stop Mohart, and again exhibited the fatal weakness for fumbling. The Reddies came out with the short end of a 14-7 score. Young's passing and Clements' intercepting of one of them behind the Kangaroos' goal provided the Reddie feature.

Then came the battle of battles—the fray with Henderson-Brown's time-honored foes, the Hendrix College Bulldogs. Coach Jimmie's plans were centered on having his men in the proper condition for the game. We chartered a special train, loaded on some three hundred rooters, the Reddies, and the Invincible Dragons, and proceeded Conwayward.

The chesty Dogs and all his Pups were thrashed to a frazzle, and the last we saw of them, sire and offspring, they were kennel-bound. The Dragon Mowing Machine overran the Pups in the morning game, 21-7. Captain Wright, Hamilton, and Harman starred for the Little Reddies.

In the afternoon classic the Reddies demonstrated to Conway in general and Hendrix College in particular just what pep and fight are. With but two minutes to play, Fletcher Young won the game by kicking a field goal. The final score was 9-7. Rush scored the touchdown for the Reddies by receiving from Young a beautiful pass behind the Bulldog goal in the first quarter.

The Reddies had trouble in arranging a game after the Bulldog bout, but finally succeeded in bringing the Magnolia Aggies to Arkadelphia and severely beating them, 36-7. Touchdowns were made by J. McLean, S. McLean, Whitthorne, Rush, Edwards, and Summerville.

Then the grand finale on Thanksgiving—the game with Henderson-Brown's ancient foe, the Ouachita Tigers. This was the biggest day of football that Arkadelphia had ever seen, and one of the greatest football games ever staged in the state. It was the real classic of the season. With it went our hopes for a championship, but as far as the defeat is concerned, we have nothing for which we are ashamed. The Reddies fought and fought hard, but the Tiger machine could not be stopped. The final score was 14-0.

The following men were awarded letters and sweaters: Captain Sage McLean, Jewel McLean, and Collins Edwards, halfbacks; George Taylor and John Summerville, fullbacks; Fletcher Young and Wilbur Whitthorne, quarterbacks; Turner DeLoney, center; Freeman Key, Francis Harper, and George Workman, guards; William Howell, Hal Norwood, and Henry Finkbeiner, tackles; Benjamin Rush, Herman Clements, and John Howell Rowland, ends; Edwin Stitt, manager.

The Reddies placed three men on the All-State mythical eleven: Captain S. McLean, halfback; Herman Clements, end; and Turner DeLoney, center. McLean is known as one of the hardest line-plungers who ever donned Reddie cleats and moleskins. Clements is an old-timer in the ways and means of football. DeLoney is another old-timer and one of the best centers in the state. He will lead the Reddie clan next year, and he well deserves the honor.

A WORD FOR THE DRAGONS

To the Dragons we owe the success of Henderson-Brown in football. Never do the scrubs get into the limelight or get much praise. All they know is fight. Under the leadership of Captain Douglas Wright and under the coaching of Mr. Proctor, the Dragons of the 1921 season made an enviable record, indeed. They added to their laurels by swamping the Little Pups and the Little Tigers.

This is the Reddieties' fourth consecutive year as an undefeated team. Coach Proctor has developed a girls' team for Henderson-Brown of which she should be proud. Four years of victories and not one defeat is the record of the Reddieties. One of these four years the Reddieties were tri-state champions.

Miss Guest and Miss Hamiter are continuing their good work at forward. Miss Hamiter is leading the team her second consecutive year.

TIM STINETTE Captain
TURNER DeLONEY Manager

At the present writing it is hard to forecast just what kind of a baseball team we will have this year. Among the last year's letter men who are back are Stinnette, Rogers, and Harman, outfielders; Taylor, Rowland, Rush, and Young survive from last year's infield. Among the new men there is said to be a big crop of embryonic pitchers.

Track

The outlook for a splendid track team this year is exceptionally bright. Henderson-Brown has always been short on dash men. This year we have a wealth of this material, and plenty of weight and distance men.

From last year's point winners we have Captain Sidney Page, Rush, Stitt, Crawford, Smith, Baker, and Williamson. All and all, the track teams should be the best in the history of the school.

Philomathean Literary Society

"To live, and learn, and be all that does not harm distinctive womanhood," is our highest aim, and toward this ideal we are climbing. This has been another successful year in the history of the society. Much enthusiasm has been shown in all that the Philos have undertaken; especially in the weekly programs has this been manifested.

The almost proverbial saying, "Once a Philo, always a Philo," was demonstrated this year when the former Philos of Arkadelphia initiated the annual entertainment of their sister Philos. The Philomathean Scholarship Medal, which was first offered last year, is hereafter to be given by Louise Porter, of '21, the originator of the medal, and is to be known as the Porter Scholarship Medal.

Thus, with the example of the former members before them, the present Philos are striving to leave for those who will come after them a heritage noble, as democratic as that which was left them.

JACK TIDBALL CLASS CREED

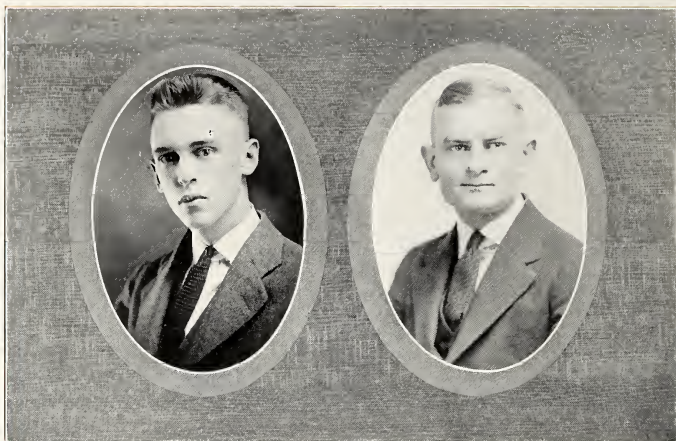

We believe in the cause for which Jack Tidball gave his life.

We believe in the beauty and power of the Christian life that Jack lived among us.

Mindful of his life and of his death, we believe that it is our duty to so love Christ that we shall make His cause first in our school, first in our business, and first in our lives.

We believe that we should so shape our lives as to reflect credit upon our homes and honor upon our college.

We believe that, as college men, we should attend Sunday school and church, that we may learn more of Jesus of Nazareth, and thus bring ourselves and others into a joyous knowledge of our Redeemer.

Her noblest work she classes, O:

A collage for The Pen Club. At the top, seven oval portraits of club members are arranged in two rows. Each portrait is accompanied by a nameplate indicating the member's name and their position or year. The members are: William Hill (Pres 1st quarter), Roy Steelman (Pres 3rd quarter), Howard Ziegler (Pres 4th quarter), James Green (Pres 2nd quarter), Louis Matthews, and Roy Cagle '25. The central text, in a large, stylized script, reads "The Pen Club". Below this, a block of text states: "We ARE DEEPLY INTERESTED IN JOURNALISM ITS PROGRESS AND ELEVATION REGARDING IT AS A NOBLE PROFESSION AND ONE OF UNEQUALED IMPORTANCE FOR ITS INFLUENCE UPON THE MINDS AND MORALS OF THE PEOPLE". At the bottom, a large illustration depicts a man in a suit and bow tie sitting at a desk, writing on a piece of paper. He is holding a small card or photograph in his left hand. On the desk are various items: a pen, a small clock, a lamp, and a framed picture. In the background, a silhouette of a castle or large building is visible.

APPRECIATION

NOW that the end has come, we draw a sigh of relief and almost breathe freely once more. The cares, worries and anxieties which have been ours for the past few weeks are no more. Our task—imperfect though it is—is done. You friends who criticize, and surely you may, remember that we have done the best we could with what we had.

In this volume we have endeavored to preserve for you a few of the scenes and happenings of the golden days of youth spent 'midst friendships and scenes grown sacred through association. If in any measure we have succeeded in this volume, it is due to the cooperation and assistance which has been given us. Especial thanks are due Messrs. Thompson & Miller, our photogrovers, for their timely advice and untiring efforts. Mr. William Hill, of the Art Department, has contributed largely and well of his skill. We also wish to thank Mr. Johnnie George Gieck, as college photographer. The kindly cooperation and assistance of the Benson Printing Company and the Jahn & Ollier Engraving Company have gone far to make the book what it is. Miss Mooney has shown a willingness to help in every way she could. Mr. Rogers, as faculty censor, has shown great leniency, for which we thank him very much. To these and many others we are deeply grateful. If, by our combined efforts, we meet with your approval, we shall feel ourselves amply rewarded.

THE STAFF.

J. M. WORKMAN, President

BENSON PRINTING CO. NASHVILLE, TENN.

¶ More than ninety universities, colleges and schools of the South favored us with their Annual printing contracts for the year 1922.

¶ This phenomenal record is the natural result of the high quality of workmanship displayed in all our publications, coupled with the very complete service rendered the Staff.

¶ From the beginning to the end we are your counselor and adviser in the financing, collecting, and editing of your book.

¶ Surely if "Experience is the best teacher," as an old maxim says, then our service must be supreme. Decide right now to know more about our work and service. Simply write for our proposition.

"College Annual Headquarters"

ACHIEVEMENT

The goal of every ambitious man and firm is typified in the rapid growth of the *Jahn & Ollier Engraving Company*—the universal esteem in which their art and plates are held by the large national advertisers—and the enviable reputation for prompt deliveries which they enjoy.

Delivering this same high quality and careful personal supervision to schools has built up for us the largest college and high school annual engraving business in America—400 books yearly.

Thirty thousand square feet of floor space (4 floors) and over two hundred and fifty skilled employees are required to meet the constant demand for “J&O” commercial photographs, art, color process plates and photo engraving (one complete floor is devoted to color process work).

Intelligent supervision of all work by many skillful office service men eliminates your troubles. Sales service men sent everywhere.

End

My task is done, my song has ceased, my theme
Has died into an echo, it is fit
The spell should break of this protracted dream.
The torch shall be extinguished which hath lit
My midnight lamp — and what is writ, is writ,
Would 't were worthier!
